SERIES

Built for Coastal Living, Designed to Endure

Bringing the elegance of Newport Beach to commercial outdoor spaces, the Newport Series Round Commercial Patio Umbrella offers a balance of modern design and unmatched durability. Designed for commercial environments, this umbrella provides reliable shade and the effortless coastal style that defines Newport living.

The single-piece aluminum mast delivers exceptional stability, while the double pulley lift system ensures easy, smooth operation. Reinforced with fiberglass ribs, the Newport Series withstands wind and weather, making it a durable shade solution for restaurants, resorts, and beachside settings. This umbrella is designed for long-lasting, low-maintenance performance.

With its sleek, contemporary look and superior durability, the Newport Series is as visually striking as it is functional, offering a perfect blend of style and strength for commercial spaces.

FEATURES

Commercial Grade Durability

Robust single-piece aluminum post with 3mm wall thickness ensures exceptional strength, corrosion resistance, and long-term durability.

Double Pulley Lift

Effortless lift system evenly distributes canopy weight, ensuring easy operation, stability, and secure functionality with a convenient pulley cord hook.

Fiberglass Ribs

High-strength 16mm fiberglass ribs provide superior flexibility and wind resistance, maintaining stability for everyday use.

Sleek and Modern Look

High-polished aluminum hub and finial add contemporary elegance, enhancing outdoor aesthetics with a sleek, shiny, modern design
