PAGODA

SERIES

Timeless Elegance, Iconic Design

The Pagoda Series Patio Umbrella is more than shade; it's the design that made our name. Inspired by graceful lines of pagoda architecture, this commercial-grade patio umbrella is a statement piece bringing classic sophistication to any outdoor space. With distinctive alternating color panels and pagoda cut, the Pagoda Series offers a timeless, eye-catching look, ideal for commercial and residential use.

Crafted with lightweight, durable materials, the Pagoda Series stands strong in sunny and breezy conditions, ideal for high-traffic commercial areas like restaurants and resorts, as well as residential backyards. The sturdy aluminum pole offers reliable stability, while flexible fiberglass ribs allow the canopy to bend with wind. The push-stop pin mechanism and crank lift ensure effortless operation.

Whether creating a vintage-inspired retreat at home or shade for a busy venue, the Pagoda Series blends heritage, style, and performance, transforming any space into an elegant sanctuary.

FEATURES

Aluminum Center Post

With 2mm pole wall thickness, offers exceptional strength, stability, and durability for daily commercial use.

Simple Push Lift

Our push lift mechanism is secure, simple, and makes opening and closing effortless. Crank and tilt mechanisms are omitted to ensure optimal performance.

Timeless Elegance

Featuring an elegant design, this Pagoda Series umbrella adds timeless sophistication to any outdoor space. Its distinctive look makes it a stylish focal point.

Reliable Aluminum Ribs

The canopy, supported by half-inch thick, high-density reinforced fiberglass ribs, enhances durability and performance to ensure stability in various weather conditions.
